

We would like to invite you to come and enjoy a trial in style.

Our beautiful new one-bedroomed trial apartment is now ready

Experience everything Larmenier Village has to offer in the new Whitaker Gardens Trial Apartment

This generously proportioned and thoughtfully designed apartment offers space, accessibility, style and light in a modern and attractive setting. It has been fitted out with everything required to enjoy a comfortable, week-long stay and the decor is both contemporary and attractive.

The living area is welcoming and spacious and is flooded with natural light from the large picture window, revealing attractive views over the surrounding countryside. The modern, Shaker-style kitchen is fully fitted with appliances and effectively combines convenience with elegance. There is a fashionable and accessible wet-room with a non-slip floor, large heated towel rail and thermostatically controlled shower. Care has also been taken to provide a secure and safe environment, with CCTV, a video entry phone and emergency alarm.

Come and see how Whitaker Gardens has blossomed.

Stunning views over the Ribble Valley are available from many of the new apartments

Our new Garden Lounge, Guest Suite and Show Apartment are now all complete.

Our new Garden Lounge provides residents with a focal point for socialising; flowing onto a large sun terrace ideal for get-togethers. The considerable amenities of Whitaker Gardens are designed to enhance the life-style of our residents. These include landscaped gardens with sheltered seating areas and a pergola. There is even an opportunity for keen gardeners to set up their own allotment in an area specifically set aside for this purpose. Our furnished guest suite provides additional accommodation for family and friends who wish to visit residents, enabling them to enjoy quality time together at minimal cost. Our spacious show flat has a large, walk-in bay window and patio doors. Features include cleverly designed sliding doors to the kitchen and energy efficient gas central heating.
